FOOD CAN BE POLLUTED AND USED AS WEAPON

The Prophet Joel

This is what was spoken by the Prophet Joel Joel 2v28, "In the last days I will pour out my spirit on all people, your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams.
If you have a friend or someone you know thats in witchcraft they may offer food that has been bewitched. The purpose: make you heavy and not able to pray.
If your a dedicated prayer warrior you'll see visions, have dreams and revelations because of much time spent with God. His revelation reveals true identity. Devils want you stopped from Gods assignment thus the bewitched food is given. No anointing, no prayers, no spiritual eyes and ears.
When a Christian marries a woman who is in witchcraft he eats food she's prepared. This blinds his spirit so he cant discover her demonic identity. Witches are afraid of spiritual eyes and ears of the true believer.
Food is a weapon used by witches to prevent God's children from seeing their identity.
We must pray for the food in the market and supermarket. Many times it can be human. Even veg, the juice you drink we must be keenly aware in these days what we put in our mouths.
Mothers who cook food in which you intend to eat on for two days. Pray for it even on the following day.
A mother shared when she cooks she prays for the food in the pan. Now the truth..... when we sleep many times unclean

spirits visit homes contaminating food. Whenever you sit to eat pray for the food even if you prayed for it the previous day.

The enemy has placed a veil on the head of the children covering their eyes and ears so that they will not see and hear from God but He's about to lift the veil that keeps Gods children from having visions, dreams, and revelations. Many are failing to have dreams and revelations. The enemy is closing their eyes and blocking their ears.
Instruments of evil...

1. **Devils want to destroy children thru food. The enemy blinds children from hearing Gods voice. The demonic is stifling God's children stopping them from hearing the Lord. Rev 12v11.**
2. **World food and its destruction. Before you eat make sure to pray in Jesus name over the food. This destroys whatever the enemy has planted in the food in Jesus name If you don't ask Gods protection on the food it affects you. It can get stuck in your throat.**
3. **Be careful who you listen to...Some say, " I want us to follow Jesus example by He only thanked God before taking His food. He never cast out the devil or destroyed the power of the enemy before eating. The leader said he only did a Thanksgiving prayer. Before you eat you just need to do a Thanksgiving prayer. You don't have to take authority when you want to eat. Those words are about as good as far as i can throw a stick. Most all food today is contaminated.**
4. **What's planted in food...I was stunned to hear these words from a leader. The Lord instructed, "Destroy whatever the enemy has planted in the food. 1 Tim4v5 "Because it is consecrated by the Word of God and prayer".**

5. **Worldly music...While visiting a friend celebration worldly music started I left the party for home. I cannot listen to profane music. My friend commented just before I left the party, "I can't give any takeaway food but come to my place tomorrow and i'll give you some . Next day she called. I would come but the Spirit of God inside of me made me heavy for something was stopping me. The lady was insistent. I was stunned by her determination to give me her food. I obeyed the prompting of the Holy Spirit thats inside me. A few days later she called again, "Come get your food." I said, " Its been three weeks why are you keeping the food?" I kept that food for you her insisting I take the meat. I told my husband, "she's full of love." Little did i know what was in store for me.**
6. **Disobeying Gods voice....I ate the meat.... Sunday I heard the pastor say you don't have to take authority over food you just do a Thanksgiving prayer. The Lord had told me to destroy the power of the enemy on the food. i didn't! I heated the meat in the microwave. As soon as I started to pray I was unable. We started to eat my husband said, "the meat is rotten". I said, "how could that be"? I couldn't believe it. When I tried the food it was definitely rotten never the less I ate the first piece, then the second and as I was about to eat the third then I wondered why am I eating rotten meat? I threw all the meat in the bin. One hour later there was a convulsion in my stomach. I went to the toilet it was diarrhea every five minutes I was going to the toilet and water was dripping from me. I stayed all night in the toilet. In the night if the diarrhea continues on I will have to go to the hospital. At 5 a.m. the diarrhea stopped.**
7. **1 Cor 8v4-9 v7, "But not everyone possesses this knowledge. some people are still so accustomed to idols that when they**

eat sacrificial food they think of it as having been sacrificed to a god, and since their conscience is weak, it is defiled.v8, "But food does not bring us near to God, we are no worse if we do not eat, and no better if we do.

8. **Though we go to church we must build our prayer life at home in order to be able to hear the voice of the Lord. Many then cant mislead God's children.**
9. **The Lord's instruction: destroy the power of darkness upon the food. I heard the Lord speaking, "Take authority over the food you eat when you pray for the food. I began to think why did the Lord say, "Take authority". What does it mean? Is my friend trying to pass me the spirit of witchcraft.**
10. **Many are not dreaming: Gods visions and messages come as you sleep. If your not dreaming even after prayer you must have something not okay in you. . Two weeks without dreaming I spent three days of fasting and prayer. The enemy had placed a veil on my head so I couldn't see and hear the Lord.**
11. **Day1of 3. THE DREAM... I dreamed i was eating in a makeshift restaurant. I asked the woman who had brought me a big plate with meat, where did it come from? I took it and ate. I asked her again as i was preparing to eat the 2nd piece of meat. She laughed and said, "The meat is flesh the part you have eaten is the human thigh". I said, " What?" Immediately I took the plate and held it up to the Lord and cried "Lord, here is the food they are cooking, it's human flesh. "Lord how can your children eat human flesh and be able to hear your voice and see visions?" We can't eat human flesh and hear your voice, see visions, and dreams. The Lord explains when people sleep no dreams, no vision, and no revelation. Thats why many are unable to hear His Voice and Talk to Him. The**

Lord warned.... people who eat human flesh their health is not good, they will be sick, they will be unable to pray. How can humans eat human flesh?

12. Naturally when this happens the Lord's presence is far from us: I woke from my dream in a state of panic and very alarmed. “Im a woman of prayer, why am I dreaming this?” immediately the Lord spoke, “My daughter I am the one who gave you this dream. You have eaten human flesh already in the physical.” I said,“ Lord did I eat human flesh?" “Of course, said the Lord you ate human parts thats why I have shown you the dream. You bought the human meat in the supermarket and cooked it, but you failed to pray before eating. The human meat has affected your spiritual ears and your spiritual eyes and the meat has harmed you thats why you spent two weeks without hearing from me. When my children buy meat in the supermarket when they fail to pray over meat I would not talk to them. Thats why you were unable to receive a vision and dream. In the last two weeks you were stained and made impure by human meat that you have eaten the Lord said.

13. You must confess: What you have eaten made you impure. That’s the reason spiritual gifts of my people are blocked and remain dormant. You pray and pray but you think I I am far

from you. I will come like a mighty cyclone and bring life back into the laziness of my men who've been sleeping. Men will turn to God and walk in Justice, Truth, with His mercy following.
